To whom it may concern,

It is our great pleasure to announce the LMCE 2017 (Laboratory Medicine Congress & Exhibition) & KSLM 58th Annual Meeting (for short "LMCE 2017") hosted by the Korean Society for Laboratory Medicine, will be held from October 18 to 20, 2017, at the Grande Walkerhill Hotel in Seoul, Korea.

Under the theme of "Laboratory Medicine in the Era of Disruptive Technology," LMCE 2017 will serve as a platform for speakers and participants to engage in a variety of presentations and dynamic discussions on innovative laboratory technology to lead a new paradigm in the field of laboratory medicine.

As we are now kicking off with our promotional efforts, I would like to ask for your cooperation with the following requests which will help us tremendously.

1. Website Link

Please help us in linking the LMCE 2017 homepage (www.lmce-kslm.org) to your website. If you let us know the appropriate size, we will send you our web banner in the dimensions you specify.

[Person in charge: Ms. Eunsuk Oh (info@lmce-kslm.org)]

2. An update on your News/Events page about the LMCE 2017

Please post the LMCE 2017 Announcement on the website of your organization. LMCE 2017 leaflet and poster are attached.

We greatly appreciate the assistance you may provide and hope this will be a great opportunity for exchanging and sharing valuable information in the future. We look forward to receiving your support of this networking event.

Thank you in advance for your cooperation.

With best wishes,

Prof. Junghan Song, M.D., Ph.D.
Chairman, Organizing Committee of LMCE 2017
CEO, Korean Society for Laboratory Medicine

LMCE KSLM
2017 & 58th ANNUAL
MEETING

INVITATION

Dear Colleagues and Friends,

It is with great delight we welcome you to the LMCE 2017 (Laboratory Medicine Congress & Exhibition) & KSLM 58th Annual Meeting to be held at the Grand Walkerhill Seoul in Korea from October 18 to 20, 2017.

The KSLM achieved noteworthy success with its first international congress and exhibition in 2016 attracting 1,036 experts from 27 countries. With another successful meeting on the way, the LMCE 2017 Organizing Committee is gearing up for an exciting and informative congress program and exhibition.

Under the theme of "Laboratory Medicine in the Era of Disruptive Technology," LMCE 2017 will serve as a platform for speakers and participants to engage in a variety of presentations and dynamic discussions on innovative laboratory technology to lead a new paradigm in the field of laboratory medicine.

We truly believe LMCE 2017 will be a highly rewarding international festival for each and every one of our participants. Therefore, please mark the date in your calendar and follow our updates on the LMCE 2017 website.

We welcome your support and look forward to seeing you at LMCE 2017.

Sincerely yours,

Junghan Song, M.D., Ph.D.
Chairman, Organizing Committee of LMCE 2017
CEO, Korean Society for Laboratory Medicine
